Verse 1

Every day in Your hands
You were there before time began
Sovereign one I rest in Your plan
From the depths to the dawn
You are there Your promise is strong
I will trust with all that I am

Chorus 1

Jesus Jesus oh how I need You
You stay the same
You are good in Your ways
Jesus Jesus oh how I need You
You are enough
All my trust is in You Lord

Verse 2

You fashioned me formed my heart
Search my soul and know every thought
Love so great but never too far
Through the storm You're the calm
Every war You've already won
Life secure in Your loving arms

Misc 1

(Bridge)

You are powerful God above it all
I believe in You I believe in You
You do miracles the impossible
I believe in You I believe in You
